

Blair — true30 commission review

true-sciences.com · true30 period Aug 21 – Sep 3, 2026 · All times Pacific (PT)

Every order below used the true30 coupon (created Aug 21, 2026). Your referral was on each order but commission was not credited to you. Link-click dates can be earlier — those customers clicked your link before or after true30 launched, then came back and checked out with the code.

AFFECTED ORDERS 14	RETURNED LATER 13	SAME VISIT 1	COMMISSION AT 30% \$404.04
-----------------------	----------------------	-----------------	-------------------------------

Customer journey

Returned later — clicked your link, left without purchasing, came back later and used true30 (13 orders). **Same visit** — clicked and checked out within about an hour, still using true30 (1 order). In both cases your referral was on the order but commission went to the coupon instead of you.

How commission is determined

Step	What happened	Outcome
1	Customer clicks your affiliate link	Your referral is recorded and a 30-day tracking cookie is set.
2	Customer browses but does not complete a purchase	The visit is logged. Most customers below came back days or weeks later.
3	Customer returns and applies true30 at checkout	They receive 30% off. The coupon was also linked to affiliate commission tracking.
4	Commission priority applies	When a coupon is tied to affiliate tracking, it takes priority over the referral cookie.
5	Result on these orders	Commission was credited to the coupon's affiliate account instead of yours — you received \$0.
6	Lifetime customers	If a customer is already linked to you for lifetime commissions, that link is not changed by a coupon on a single order.

Customer journey

"At 30%" is the sale commission based on order total and your rate. All orders completed.

Appendix — multiple link clicks

For 1 of your 14 orders, we matched multiple affiliate link clicks from the same device (same IP address) before checkout. The other 13 orders had only one recorded link click — those customers likely returned later using your existing referral cookie without clicking your link again.

Order #10950 — 2 affiliate link clicks (same device)

Click	When (PT)	Link	
1	Aug 16, 2026 · 11:31 AM PT	/product/glp3rt-10mg/aff/81/	
2	Aug 24, 2026 · 8:50 AM PT	/product/glp3rt-10mg/aff/81/	On order

Device matching uses IP address only. Clicks from a different network or device would not appear here.
